

**Lesser Prairie Chicken Initiative
Core Conservation Practices**

Conservation Practice	Practice Code	Unit	Extent	Principal Purpose
Upland Wildlife Habitat Management	645	Ac.	16 million	Management to improve LPC habitat

Supporting Conservation Practices

Conservation Practice*	Practice Code	Unit	Extent	Principal Purpose
Brush Management	314	Ac.	2.2 million	Habitat Improvement
Early Succession Habitat Development	647	Ac.	500,000	Habitat Improvement
Firebreak	394	Ac.	100	Needed for the facilitation of Prescribed Burning
Fence	382	Ft.	18 million	Efficient Grazing Utilization for Habitat Improvement
Obstruction Removal	500	Ac.	250	Remove obstructions (old fences, farmsteads, etc.) that are a hindrance to habitat development
Prescribed Grazing	528	Ac.	20 million	Management to improve LPC habitat
Prescribed Burning	338	Ac.	4 million	Habitat Maintenance
Range Planting	550	Ac.	500,000	Habitat Creation
Restoration of Rare and Declining Habitat	643	Ac.	500,000	Habitat Creation
Watering Facility	614	Ac.	6,000	Habitat Creation/Improvement
