

Madison County SWCD/NRCS Treats Students

Happy Halloween

TRICK OR TREAT!

October 31, 2014—Trick or treaters from Greengate School brightened the day of NRCS/SWCD employees in the North Area and Huntsville Field Offices. Students with dyslexia in grades 3-8 attend this school in our office building received goodie bags we made for each one. This is the second year that we have participated in this event. The costumes of each student was so diverse. It was hard to decide who had the most fun...the students or the employees!!
